NOTICE OF SPECIAL TAX LIEN

COMMUNITY FACILITIES DISTRICT NO. 2011-1
(WASTEWATER SYSTEM IMPROVEMENT PROJECT)
RIO ALTO WATER DISTRICT

Pursuant to the requirements of Section 3114.5 of the Streets and Highways Code and Section 53328.3 of the Government Code, the undersigned, District Secretary of the Rio Alto Water District (the "District"), hereby gives notice that a lien is hereby imposed upon the parcels listed in Exhibit A attached hereto to secure payment of a special tax (the "Special Tax") which the Board of Directors of the District is authorized to levy. Levy of the Special Tax was approved by registered voters voting at a special election held on April 17, 2012. The Special Tax secured by this lien is authorized to be levied for the purposes of (1) paying principal of and interest on debt obligations (the "Debt Obligations"), the proceeds of which are being used to finance the acquisition of real property and the construction and installation of improvements to the District's wastewater system, (2) paying costs and expenses of the District incurred in the establishment of Community Facilities District No. 2011-1 (Wastewater System Improvement Project) ("CFD No. 2011-1") and (3) paying the on-going expenses of administering the Special Tax and the Debt Obligations.

CFD No. 2011-1 was officially formed on January 11, 2012. The special tax is authorized to be levied on taxable property within CFD No. 2011-1. The lien of the special tax is a continuing lien which shall secure each annual levy of the special tax and which shall continue in force and effect until the special tax obligation is prepaid, permanently satisfied, and canceled in accordance with law or until the special tax ceases to be levied and a notice of cessation of special tax is recorded in accordance with Section 53330.5 of the Government Code.

The rate, method of apportionment, and manner of collection of the authorized special tax is shown on Exhibit B attached hereto. The conditions under which the obligation to pay the Annual Special Tax may be fully prepaid and permanently satisfied and the lien of the special tax canceled and the procedures for calculating the amount required for prepayment of the Annual Special tax are set forth in Section G of said Exhibit B. There is no procedure provided by which the Catch-Up Special Tax (as said term is defined in Exhibit B), if and when a Catch-Up Special Tax becomes payable, may be prepaid.

Notice is further given that upon the recording of this notice in the office of the Tehama County Recorder, the obligation to pay the special tax levy shall become a lien upon all taxable real property within CFD No. 2011-1 in accordance with Section 3115.5 of the Streets and Highways Code.

Notice is further given that, as more fully described in Section F of Exhibit B, entitled "Exemptions" ("Section F"), no Special Tax shall be levied on the parcels listed in Section F under the present circumstances; provided however that, as to those parcels described in subsections (iii), (iv) and (v) of Section F, the exemption from the Special Tax shall be terminated and those parcels will be reclassified as Taxable Property and thereby become subject to the Special Tax, without further action by the District or the recordation of any further instrument, under the circumstances set forth in said subsections (iii), (iv) and (v) of Section F.

Reference is made to the Boundary Map of CFD No. 2011-1 (the "Boundary Map"), recorded on December 22, 2011, in Book AT-1 of Maps of Assessment and Community Facilities Districts, at page 75, in the office of the Tehama County Recorder. All of the property which is subject to this special tax lien is situated within the boundary of CFD No. 2011-1 as shown on the Boundary Map. Said boundary is subject to future revision as a result of annexation proceedings pertaining to CFD No. 2011-1, as authorized by and pursuant to the provisions of the Act respecting annexation.

For further information concerning the current and estimated future special tax liability of owners or purchasers of real property within CFD No. 2011-1 and subject to this special tax lien, interested persons should contact the District, 22099 River View Drive, Cottonwood, CA 96022, telephone (530) 347-3835.

DATED: April 23, 2012

- f. If two or more Parcels are combined to form one or more new Parcels, the aggregate number of EDUs that had been assigned to the original Parcels shall be assigned to the newly-created Parcel(s).
- g. Any Parcel of Residential Property with more than one Residential Unit may be a Multiple EDU Parcel as determined by the Water District based on services requested for each Residential Unit.
- h. Parcels with commercial or other non-residential buildings shall be assigned two EDUs unless the Water District determines a different number of EDUs is more appropriate based on the type of non-residential building constructed.

If a Parcel is subdivided to create two or more Parcels, the newly-created Parcels shall be assigned EDUs by the Water District based on their planned use. The Water District shall have full discretion in assigning EDUs to newly-created Parcels, and at no time shall a subdivision, reconfiguration or consolidation of Parcels in the CFD result in a reduction in the total number of EDUs that were assigned to the Parcel or Parcels being subdivided, reconfigured, or consolidated.

C. MAXIMUM SPECIAL TAXES

1. Annual Special Tax

The Maximum Annual Special Tax for each Parcel of Taxable Property in CFD No. 2011-1 shall be \$289 per EDU.

2. Catch-Up Special Tax

The Catch-Up Special Tax for any Parcel of Optional LPSS Property or Optional Septic Property that is submitting an Application for Sewer Service shall be calculated as follows:

Step 1: Determine the actual Annual Special Tax per EDU that was levied in all prior Fiscal Years and sum the annual amounts to calculate the total amount levied to date for a single EDU. If the Annual Special Tax levy for the CFD for the current Fiscal Year has already been submitted to the County for placement on the secured tax roll and an Annual Special Tax is not being levied on such Parcel for the current Fiscal Year, then the Annual Special Tax per EDU for the current Fiscal Year shall also be included in the total amount levied per EDU.

Step 2: Determine the number of EDUs assigned to the Parcel of Optional LPSS Property or Optional Septic Property for which the Catch-Up Special Tax is being calculated.

Step 3: Multiply the amount determined in Step 1 by the number of EDUs determined in Step 2 to determine the Catch-Up Special Tax for the Parcel.

D. METHOD OF LEVY OF THE ANNUAL SPECIAL TAX

Not later than the 15th day of July in each Fiscal Year, the Administrator shall perform the following:

Step 1: Determine the classification of each Parcel within the CFD for purposes of assigning EDUs to each Parcel for that Fiscal Year.

Step 2: Determine the amount of the Maximum Annual Special Tax for each Parcel of Taxable Property, taking into account (i) the amount of the Maximum Annual Special Tax per EDU, as set forth in Section C of this RMA, and (ii) the number of EDUs assigned to each Parcel, and then determine the aggregate amount of the Maximum Annual Special Tax for all Parcels of Taxable Property for that Fiscal Year.

- Step 3:* Determine the Special Tax Requirement for that Fiscal Year, subject to the limitation that the amount of the Special Tax Requirement cannot exceed the aggregate amount of the Maximum Annual Special Tax for all Parcels of Taxable Property as determined in Step 2.
- Step 4:* Determine the amount of the Annual Special Tax to be levied for that Fiscal Year on each Parcel of Taxable Property by distributing the Special Tax Requirement among all of the Parcels of Taxable Property in proportion to the number of EDUs assigned to each such Parcel, subject to the limitations that (i) the amount of the Annual Special Tax on each Parcel cannot exceed the Maximum Annual Special Tax for such Parcel, and (ii) in no case shall the amount allocated to any Parcel of Residential Property be more than ten percent (10%) above what the amount would otherwise have been had nothing been included in the Special Tax Requirement on account of delinquencies or defaults in the payment of the Annual Special Tax by the owner or owners of any other Parcel or Parcels.

E. MANNER OF COLLECTION OF SPECIAL TAXES

The Annual Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section G below and provided further that the Water District may directly bill, collect at a different time or in a different manner, and/or collect delinquent Annual Special Taxes through foreclosure or other available methods.

The Catch-Up Special Tax shall be collected from Parcels of Optional LPSS Property and Optional Septic Property prior to approval by the Water District of the property owner's Application for Sewer Service.

The Special Taxes shall be levied and collected until principal and interest on Obligations have been repaid and Authorized Facilities to be constructed directly from proceeds of Special Taxes have been completed. However, in no event shall the Special Taxes be levied after Fiscal Year 2055-2056.

F. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on the following:

- (i) Public Property, except Taxable Public Property, as defined herein.
- (ii) POA Property, except Taxable POA Property, as defined herein.
- (iii) Parcels of Optional LPSS Property. Once a Parcel of Optional LPSS Property has connected to the Water District's sewer system, it shall thereafter be classified as

- (iv) Taxable Property. The Water District shall identify such Parcel as either a Single EDU Parcel or a Multiple EDU Parcel and assign EDUs accordingly. Parcels of Optional Septic Property. Once a Parcel of Optional Septic Property has connected to the Water District's sewer system, it shall thereafter be classified as Taxable Property. The Water District shall identify such Parcel as either a Single EDU Parcel or a Multiple EDU Parcel and assign EDUs accordingly.
- (v) Parcels of Tract 1017, Phase 2 Property. All Parcels of Tract 1017, Phase 2 Property shall be exempt until such time as the Water District accepts water and sewer improvements for property within Phase 2 of Tract 1017. Once such water and sewer improvements have been accepted by the Water District, those Parcels of Tract 1017, Phase 2 Property which can be served by such improvements shall thereafter be classified as Taxable Property. The Water District shall identify such Parcels as either a Single EDU Parcel or a Multiple EDU Parcel and assign EDUs accordingly.
- (vi) Parcels owned by a public utility for an unmanned facility.
- (vii) Parcels subject to an easement that precludes any other use on the Parcels.
- (viii) Any Parcel that has fully prepaid the Annual Special Tax obligation assigned to such Parcel pursuant to the formula set forth in Section G below.

G. PREPAYMENT OF ANNUAL SPECIAL TAX

The following definition applies to this Section G:

“Outstanding Obligations” means all Obligations that remain outstanding, with the following exception: if an Annual Special Tax has been levied against, or already paid by, an Assessor's Parcel making a prepayment, and a portion of the Annual Special Tax will be used to pay a portion of the next principal payment on the Obligations that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from the total principal that remains outstanding, and the difference shall be used as the amount of Outstanding Obligations for purposes of this prepayment formula.

The Annual Special Tax obligation applicable to an Assessor's Parcel in the CFD may be prepaid and the obligation of the Assessor's Parcel to pay the Annual Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Annual Special Tax obligation shall provide the Water District with written notice of intent to prepay. Within 30 days of receipt of such written notice, the Water District or its designee shall notify such owner of the prepayment amount for such Assessor's Parcel.

1. Prior to Entering into Obligations

If a property owner requests to prepay their Annual Special Tax obligation prior to Obligations being entered into by the CFD, the prepayment amount shall be calculated as follows:

- Step 1:* Determine the Maximum Annual Special Tax that could be collected from the Assessor's Parcel prepaying the Annual Special Tax in the Fiscal Year in which prepayment would be received by the Water District.
- Step 2:* Divide the Maximum Annual Special Tax computed pursuant to Step 1 by the Maximum Annual Special Tax revenues that could be collected in that Fiscal Year from property in the entire CFD.
- Step 3:* Multiply the quotient computed pursuant to Step 2 by the expected net proceeds of Obligations that will be secured by Annual Special Taxes to pay for Authorized Facilities, as determined by the Water District. The amount determined shall be the Annual Special Tax prepayment amount.

2. After Entering into Obligations

If a property owner requests to prepay their Annual Special Tax obligation after Obligations have been entered into by the CFD, the Prepayment Amount shall be calculated as follows (capitalized terms as defined below):

Redemption Amount	
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1:* Determine the Maximum Annual Special Tax that could be collected from the Assessor's Parcel prepaying the Annual Special Tax in the Fiscal Year in which prepayment would be received by the Water District.
- Step 2:* Divide the Maximum Annual Special Tax computed pursuant to Step 1 by the Maximum Annual Special Tax revenues that could be collected in that Fiscal Year from property in the entire CFD.
- Step 3:* Multiply the quotient computed pursuant to Step 2 by the Outstanding Obligations to compute the amount of Outstanding Obligations to be retired and prepaid (the "***Redemption Amount***").
- Step 4:* Determine the costs of computing the prepayment amount, redeeming Obligations, and recording any notices to evidence the prepayment and redemption (the "***Administrative Fees and Expenses***").

- Step 5:* If and to the extent so provided, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Obligations to be redeemed pursuant to the prepayment (the “*Reserve Fund Credit*”).
- Step 6:* The Annual Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3 and 4, less the amount computed pursuant to Step 5 (the “*Prepayment Amount*”).
- Step 7:* From the Prepayment Amount, the amount computed pursuant to Step 3 shall be deposited into the appropriate fund as established in the legal documents for the Obligations and be used to retire Outstanding Obligations or make debt service payments. The amount computed pursuant to Step 4 shall be retained in the account or fund that is established to pay administrative expenses of the CFD.

Once a prepayment has been received, a Notice of Cancellation of Special Tax Lien shall be recorded against the Parcel. However, a Notice of Cancellation of Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected.

H. INTERPRETATION OF SPECIAL TAX FORMULA

The Water District may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, that does not materially affect the levy and collection of the Special Taxes and any security for any Obligations.

I. APPEAL OF SPECIAL TAX LEVY

Any property owner claiming that the amount or application of the Special Taxes (and/or assignment of EDUs) is incorrect may file a written notice of appeal with the Administrator no later than one calendar year after having paid the Special Taxes that are being disputed. The Administrator shall promptly review the appeal within 30 days of receipt of such written notice, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount or application of the Special Taxes, and decide the appeal. If the property owner disagrees with the Administrator’s decision, the property owner may then file a written appeal with the Board, whose decision shall be final and conclusive. If the decision of the Administrator (if the appeal is not filed with the Board) or the Board (if the appeal is filed with the Board) requires the Special Taxes to be modified in favor of the property owner, no cash shall be refunded for prior years’ Special Taxes (unless it is determined that such Parcel will not have an Annual Special Tax Levy in future Fiscal Years, in which case a cash refund shall be given from the proceeds of the following Fiscal Year’s Annual Special Tax collection). Rather, an adjustment shall be made to the next Annual Special Tax levy(ies) as needed. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any legal action by such property owner.
