I. INTRODUCTION

Rio Alto Water District Community Facilities District No. 2011-1

On January 11, 2012, the Board of Directors (“Board”) of the Rio Alto Water District (“Water District”) adopted Resolution No. 02-12 to establish CFD No. 2011-1 and to call for an election to be held on April 17, 2012. In that election, the registered voters within the CFD voted to authorize the levy of a Mello-Roos special tax on property within CFD No. 2011-1. The registered voters also approved the CFD to incur bonded indebtedness in an amount not to exceed \$6,215,000. The Board adopted Resolution No. 08-12 to declare the election results on April 30, 2012. Furthermore, the Board passed Ordinance No. 100-1 on May 23, 2012, to levy a special tax within the CFD beginning in fiscal year 2012-13. The Board approved Resolution 12-12 on August 31, 2012, authorizing staff to execute documents to obtain a loan from the United States Department of Agriculture-Rural Development (“USDA-RD”) in an amount not to exceed \$5,000,000. Finally, on December 19, 2012, the Board adopted Resolution No. 14-12, dedicating CFD special tax revenues to payment of any Clean Water State Revolving Fund (“CWSRF”) loans. The CWSRF loan in the total principal amount of \$1,215,000 closed on May 13, 2013. Subsequently, the \$5,000,000 USDA-RD loan closed on August 15, 2014. Special tax revenues from taxable property in the CFD are used to secure the USDA-RD and CWSRF loans.

The proceeds from the USDA-RD and CWSRF loans will be used to pay for certain authorized facilities and expenses. These authorized facilities include various improvements and additions to the Water District’s wastewater system in order to provide for the treatment of sewage and transmission and discharge of treated wastewater onto approximately 78 acres of constructed wetlands. These improvements address requirements of the California Toxics Rule as detailed in the California Regional Water Quality Control Board’s Waste Discharge Requirements Order No. R5-2010-0103 and Cease and Desist Order No. R5-2010-0104. These improvements will result in the Water District ceasing regular discharge to the Sacramento River and discharging to land only via the constructed wetlands, except during extreme peak flows in excess of the 100-year event.

The CFD is located adjacent to the Sacramento River in the County of Tehama (“County”). It is approximately 23 miles south of the city of Redding and 150 miles north of the city of Sacramento. CFD No. 2011-1 includes approximately 1,700 parcels of both single and multi-family residential property in varying degrees of development.

The Mello-Roos Community Facilities Act of 1982

The reduction in property tax revenue that resulted from the passage of Proposition 13 in 1978 required public agencies and real estate developers to look for other means to fund public infrastructure. The funding available from traditional assessment districts was limited by certain requirements of the assessment acts, and it became clear that a more flexible funding tool was needed. In response, the California State Legislature (“Legislature”) approved the Mello-Roos Community Facilities Act of 1982 (“Act”), which provides for the levy of a special tax within a defined geographic area, namely a community facilities district, if such a levy is approved by

two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities, and special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

Authorized Facilities

The special tax revenues from CFD No. 2011-1 are authorized to fund certain wastewater infrastructure improvements. Wastewater improvements include the following:

- i. Installation of a selector and screening unit;
- ii. Construction and installation of a secondary clarifier and improvements to upgrade the existing secondary clarifier and effluent pumps;
- iii. Construction and installation of a return activated sludge (RAS) pump station and conversion of the existing RAS pump station into an aerobic digester;
- iv. Electrical improvements at the wastewater treatment plant;
- v. Construction and installation of approximately 11,600 linear feet of 10-inch chlorination force main;
- vi. Acquisition of land and development thereon of constructed wetlands; and
- vii. Appurtenant work and improvements to the existing wastewater system of the Water District in order to provide for the collection and treatment of sewage and the transmission and discharge of treated wastewater effluent onto the constructed wetlands.

These improvements address requirements of the California Toxics Rule and will result in the Water District ceasing regular discharge to the Sacramento River and discharging to land only via the constructed wetlands, except during extreme peak flows in excess of the 100-year event.

II. PURPOSE OF REPORT

This CFD Tax Administration Report (“Report”) presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2023-24 special tax levy for CFD No. 2011-1. The Report is intended to provide information to interested parties regarding the current financial obligations of the CFD, special taxes to be levied in fiscal year 2023-24, and public facilities authorized to be funded by the CFD. The Report also summarizes the classification of parcels well as other pertinent information (e.g., prepayments and delinquencies) for CFD No. 2011-1.

The Report is organized into the following sections:

- **Section III** identifies financial obligations of the CFD for fiscal year 2023-24.
- **Section IV** provides a summary of the methodology that is used to apportion the special tax among parcels in the CFD.
- **Section V** summarizes the classification of parcels and assignment of EDUs in CFD No. 2011-1.
- **Section VI** identifies parcels, if any, that have prepaid their special tax obligation.
- **Section VII** provides information on state reporting requirements.

III. FISCAL YEAR 2023-24 SPECIAL TAX REQUIREMENT

Pursuant to the Rate and Method of Apportionment of Special Tax ("RMA") for the CFD, the Special Tax Requirement means, for any fiscal year, the total of: (i) principal and interest due, including scheduled sinking fund payments, on bonds, loans or other debt, (ii) administrative expenses for such fiscal year, (iii) an amount needed to create or replenish reserve funds, (iv) an amount needed to cure any delinquencies in the payment of principal and interest on indebtedness of the CFD which have occurred in the previous fiscal year or are anticipated to occur for the current fiscal year, and (v) pay-as-you-go expenditures for authorized facilities to be constructed or acquired by the CFD. The amounts referred to in the preceding sentence may be reduced in any fiscal year by collected penalties associated with delinquent special taxes, available earnings on or surpluses in funds for bonds, loans, or other debt, and any other revenues available to pay debt service. Furthermore, the amounts related to items (iii) and (iv) of the Special Tax Requirement are subject to the 10% limitation described in Section D of the RMA. For fiscal year 2023-24, the total Special Tax Requirement is \$341,280.

IV. FISCAL YEAR 2023-24 SPECIAL TAX LEVY

Assignment of EDUs

Special taxes within CFD No. 2011-1 are levied pursuant to the methodology set forth in the RMA. The RMA establishes various categories which define the circumstances necessary to assign an equivalent dwelling unit ("EDU") to each parcel. The special tax levied on a particular property is based on the number of EDUs that property is assigned. *(All capitalized terms are defined in the RMA in Appendix C of this Report.)*

Single EDU Parcels are parcels of taxable property that are assigned one EDU. Any properties with the following characteristics shall all be assigned one EDU:

- i. Residential Property on which one single family detached unit has been constructed.
- ii. Each parcel with a Halfplex.
- iii. Any parcel of taxable property that is a Buildable Lot on which no structure has yet been constructed.
- iv. Specific parcels of Taxable Property Owner Association Property, as identified in the RMA.

Multiple EDU Parcels are parcels of taxable property which are assigned two or more EDUs. Any properties with the following characteristics shall be assigned the corresponding number of EDUs:

- i. A parcel of Residential Property with a duplex shall be assigned two EDUs.
- ii. A parcel of Residential Property with a triplex shall be assigned three EDUs.
- iii. A parcel of Residential Property with a fourplex shall be assigned four EDUs.
- iv. Any parcel with a residential structure with five or more Residential Units shall be assigned a number of EDUs equal to the number of Residential Units on the parcel.
- v. Specific properties and merged lots are assigned two EDUs, as identified in the RMA.
- vi. If two or more parcels are combined to form one or more new parcels, the aggregate number of EDUs assigned to the original parcels shall be assigned to the newly-created parcel(s).
- vii. Any parcel of Residential Property with more than one Residential Unit may be a Multiple EDU Parcel, as determined by the Water District based on services requested for each Residential Unit.

- viii. Parcels with commercial or other non-residential buildings shall be assigned two EDUs unless the Water District determines that a different number of EDUs is more appropriate based on the type of construction.

Maximum Special Tax Rates

The maximum annual special tax for each parcel of taxable property in the CFD is equal to \$289 per EDU. In addition, a one-time Catch-Up Special Tax may be levied on parcels of Optional LPSS Property or Optional Septic Property prior to approval by the Water District of the property owner's application for sewer service, as described in Section C.2 of the RMA.

Apportionment of Annual Special Taxes in Fiscal Year 2023-24

The actual annual special tax levied on each parcel in CFD No. 2011-1 each fiscal year is determined by application of Section D of the RMA. Pursuant to this section, the special tax shall be levied as follows until the amount of the levy is equal to the Special Tax Requirement for that fiscal year. The Special Tax Requirement is distributed among all parcels of taxable property in proportion to the number of EDUs assigned to each parcel, up to the maximum annual special tax for each such parcel.

For fiscal year 2023-24, a total of 1,422 EDUs were assigned to the various parcels within the CFD. Taxing these EDUs at 83.0% of their maximum annual special tax rates, \$240 per EDU, will generate approximately \$341,280 in special tax revenue, assuming no delinquencies. This amount is equal to the Special Tax Requirement. Appendix A shows a summary of the special tax levy for fiscal year 2023-24, and Appendix B includes the special tax levied on individual parcels in CFD No. 2011-1.

V. PARCEL CLASSIFICATION AND EDU ASSIGNMENT FOR FY 2023-24

Based on the current parcels in CFD No. 2011-1, the following table summarizes the classification of parcels and assignment of EDUs within the CFD for the fiscal year 2023-24 special tax levy.

**Community Facilities District No. 2011-1
Parcel and EDU Summary for Fiscal Year 2023-24**

Property Classification	Total Number of Parcels	Total Number of EDUs
Single EDU Parcel	1,292	1,292
Duplex	16	32
Triplex	1	3
Fourplex	0	0
Other Multiple EDU Parcel	42	89
Taxable POA Property	5	6
Optional LPSS/Septic Property	38	0
Tract 1017, Phase 2 Property	248	0
Total	1,642	1,422

Several types of property shown in the above table are exempt, and therefore are not subject to the special tax levy. These types include Public Property as well as some properties that are given the choice to connect to the sewer system, but have not yet exercised that option. Exempt properties are further defined as follows:

- i. Public Property, except for Public Property that had, in its entirety, been a parcel of taxable property in a prior fiscal year.
- ii. Property Owner Association Property, except for certain parcels of Taxable POA Property and any buildable lot owned by the POA that is expected to be resold to an individual property owner.
- iii. Parcels of Optional LPSS Property. Once a parcel of Optional LPSS Property has connected to the Water District's sewer system, it shall thereafter be classified as taxable property.
- iv. Parcels of Optional Septic Property. Once a parcel of Optional Septic Property has connected to the Water District's sewer system, it shall thereafter be classified as taxable property.

- v. Parcels of Tract 1017, Phase 2 Property. All parcels of Tract 1017, Phase 2 Property are exempt until such time as the Water District accepts water and sewer improvements for property within Phase 2 of Tract 1017.
- vi. Parcels owned by a public utility for an unmanned facility.
- vii. Parcels subject to an easement that precludes any other use on the parcels.
- viii. Any parcel that has fully prepaid its annual special tax obligation.

VI. PREPAYMENTS

As of June 30, 2023, no property owner has prepaid his/her special tax obligation. Therefore, all parcels of taxable property remain subject to the annual special tax levy.

VII. STATE REPORTING REQUIREMENTS

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds.

Assembly Bill No. 1666

On July 25, 2016, former Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information

- a. A Parcel of Residential Property with a duplex shall be assigned two EDUs.
- b. A Parcel of Residential Property with a triplex shall be assigned three EDUs.
- c. A Parcel of Residential Property with a fourplex shall be assigned four EDUs.
- d. Any Parcel with a residential structure with five or more Residential Units shall be assigned a number of EDUs equal to the number of Residential Units on the Parcel.
- e. The following Assessor's Parcels shall be assigned two EDUs:
 - (i) APN 102-070-12 (Lake Club)
 - (ii) APN 100-300-26 (3 or more merged lots)
 - (iii) APN 102-055-22 (3 or more merged lots)
 - (iv) APN 102-100-71 (3 or more merged lots)
 - (v) APN 102-120-55 (3 or more merged lots)
- f. If two or more Parcels are combined to form one or more new Parcels, the aggregate number of EDUs that had been assigned to the original Parcels shall be assigned to the newly-created Parcel(s).
- g. Any Parcel of Residential Property with more than one Residential Unit may be a Multiple EDU Parcel as determined by the Water District based on services requested for each Residential Unit.
- h. Parcels with commercial or other non-residential buildings shall be assigned two EDUs unless the Water District determines a different number of EDUs is more appropriate based on the type of non-residential building constructed.

If a Parcel is subdivided to create two or more Parcels, the newly-created Parcels shall be assigned EDUs by the Water District based on their planned use. The Water District shall have full discretion in assigning EDUs to newly-created Parcels, and at no time shall a subdivision, reconfiguration or consolidation of Parcels in the CFD result in a reduction in the total number of EDUs that were assigned to the Parcel or Parcels being subdivided, reconfigured, or consolidated.

C. MAXIMUM SPECIAL TAXES

1. Annual Special Tax

The Maximum Annual Special Tax for each Parcel of Taxable Property in CFD No. 2011-1 shall be \$289 per EDU.

2. Catch-Up Special Tax

The Catch-Up Special Tax for any Parcel of Optional LPSS Property or Optional Septic Property that is submitting an Application for Sewer Service shall be calculated as follows:

Step 1: Determine the actual Annual Special Tax per EDU that was levied in all prior Fiscal Years and sum the annual amounts to calculate the total amount levied to date for a single EDU. If the Annual Special Tax levy for the CFD for the current Fiscal Year has already been submitted to the County for placement on the secured tax roll and an Annual Special Tax is not being levied on such Parcel for the current Fiscal Year, then the Annual Special Tax per EDU for the current Fiscal Year shall also be included in the total amount levied per EDU.

Step 2: Determine the number of EDUs assigned to the Parcel of Optional LPSS Property or Optional Septic Property for which the Catch-Up Special Tax is being calculated.

Step 3: Multiply the amount determined in Step 1 by the number of EDUs determined in Step 2 to determine the Catch-Up Special Tax for the Parcel.

D. METHOD OF LEVY OF THE ANNUAL SPECIAL TAX

Not later than the 15th day of July in each Fiscal Year, the Administrator shall perform the following:

Step 1: Determine the classification of each Parcel within the CFD for purposes of assigning EDUs to each Parcel for that Fiscal Year.

Step 2: Determine the amount of the Maximum Annual Special Tax for each Parcel of Taxable Property, taking into account (i) the amount of the Maximum Annual Special Tax per EDU, as set forth in Section C of this RMA, and (ii) the number of EDUs assigned to each Parcel, and then determine the aggregate amount of the Maximum Annual Special Tax for all Parcels of Taxable Property for that Fiscal Year.

Step 3: Determine the Special Tax Requirement for that Fiscal Year, subject to the limitation that the amount of the Special Tax Requirement cannot exceed the aggregate amount of the Maximum Annual Special Tax for all Parcels of Taxable Property as determined in Step 2.

Step 4: Determine the amount of the Annual Special Tax to be levied for that Fiscal Year on each Parcel of Taxable Property by distributing the Special Tax Requirement among all of the Parcels of Taxable Property in proportion to the number of EDUs assigned to each such Parcel, subject to the limitations that (i) the amount of the Annual Special Tax on each Parcel cannot exceed the Maximum Annual Special Tax for such Parcel, and (ii) in no case shall the amount allocated to any Parcel of Residential Property be more than ten percent (10%) above what the amount would otherwise have been had nothing been included in the Special Tax Requirement on account of delinquencies or defaults in the payment of the Annual Special Tax by the owner or owners of any other Parcel or Parcels.

E. MANNER OF COLLECTION OF SPECIAL TAXES

The Annual Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section G below and provided further that the Water District may directly bill, collect at a different time or in a different manner, and/or collect delinquent Annual Special Taxes through foreclosure or other available methods.

The Catch-Up Special Tax shall be collected from Parcels of Optional LPSS Property and Optional Septic Property prior to approval by the Water District of the property owner's Application for Sewer Service.

The Special Taxes shall be levied and collected until principal and interest on Obligations have been repaid and Authorized Facilities to be constructed directly from proceeds of Special Taxes have been completed. However, in no event shall the Special Taxes be levied after Fiscal Year 2055-2056.

F. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on the following:

- (i) Public Property, except Taxable Public Property, as defined herein.
- (ii) POA Property, except Taxable POA Property, as defined herein.
- (iii) Parcels of Optional LPSS Property. Once a Parcel of Optional LPSS Property has connected to the Water District's sewer system, it shall thereafter be classified as Taxable Property. The Water District shall identify such Parcel as either a Single EDU Parcel or a Multiple EDU Parcel and assign EDUs accordingly.
- (iv) Parcels of Optional Septic Property. Once a Parcel of Optional Septic Property has connected to the Water District's sewer system, it shall thereafter be classified as

- Taxable Property. The Water District shall identify such Parcel as either a Single EDU Parcel or a Multiple EDU Parcel and assign EDUs accordingly.
- (v) Parcels of Tract 1017, Phase 2 Property. All Parcels of Tract 1017, Phase 2 Property shall be exempt until such time as the Water District accepts water and sewer improvements for property within Phase 2 of Tract 1017. Once such water and sewer improvements have been accepted by the Water District, those Parcels of Tract 1017, Phase 2 Property which can be served by such improvements shall thereafter be classified as Taxable Property. The Water District shall identify such Parcels as either a Single EDU Parcel or a Multiple EDU Parcel and assign EDUs accordingly.
 - (vi) Parcels owned by a public utility for an unmanned facility.
 - (vii) Parcels subject to an easement that precludes any other use on the Parcels.
 - (viii) Any Parcel that has fully prepaid the Annual Special Tax obligation assigned to such Parcel pursuant to the formula set forth in Section G below.

G. PREPAYMENT OF ANNUAL SPECIAL TAX

The following definition applies to this Section G:

“Outstanding Obligations” means all Obligations that remain outstanding, with the following exception: if an Annual Special Tax has been levied against, or already paid by, an Assessor’s Parcel making a prepayment, and a portion of the Annual Special Tax will be used to pay a portion of the next principal payment on the Obligations that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from the total principal that remains outstanding, and the difference shall be used as the amount of Outstanding Obligations for purposes of this prepayment formula.

The Annual Special Tax obligation applicable to an Assessor’s Parcel in the CFD may be prepaid and the obligation of the Assessor’s Parcel to pay the Annual Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel intending to prepay the Annual Special Tax obligation shall provide the Water District with written notice of intent to prepay. Within 30 days of receipt of such written notice, the Water District or its designee shall notify such owner of the prepayment amount for such Assessor’s Parcel.

1. Prior to Entering into Obligations

If a property owner requests to prepay their Annual Special Tax obligation prior to Obligations being entered into by the CFD, the prepayment amount shall be calculated as follows:

- Step 1:** Determine the Maximum Annual Special Tax that could be collected from the Assessor’s Parcel prepaying the Annual Special Tax in the Fiscal Year in which prepayment would be received by the Water District.

- Step 2:** Divide the Maximum Annual Special Tax computed pursuant to Step 1 by the Maximum Annual Special Tax revenues that could be collected in that Fiscal Year from property in the entire CFD.
- Step 3:** Multiply the quotient computed pursuant to Step 2 by the expected net proceeds of Obligations that will be secured by Annual Special Taxes to pay for Authorized Facilities, as determined by the Water District. The amount determined shall be the Annual Special Tax prepayment amount.

2. After Entering into Obligations

If a property owner requests to prepay their Annual Special Tax obligation after Obligations have been entered into by the CFD, the Prepayment Amount shall be calculated as follows (capitalized terms as defined below):

Redemption Amount	
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1:** Determine the Maximum Annual Special Tax that could be collected from the Assessor's Parcel prepaying the Annual Special Tax in the Fiscal Year in which prepayment would be received by the Water District.
- Step 2:** Divide the Maximum Annual Special Tax computed pursuant to Step 1 by the Maximum Annual Special Tax revenues that could be collected in that Fiscal Year from property in the entire CFD.
- Step 3:** Multiply the quotient computed pursuant to Step 2 by the Outstanding Obligations to compute the amount of Outstanding Obligations to be retired and prepaid (the "*Redemption Amount*").
- Step 4:** Determine the costs of computing the prepayment amount, redeeming Obligations, and recording any notices to evidence the prepayment and redemption (the "*Administrative Fees and Expenses*").
- Step 5:** If and to the extent so provided, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Obligations to be redeemed pursuant to the prepayment (the "*Reserve Fund Credit*").

Step 6: The Annual Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3 and 4, less the amount computed pursuant to Step 5 (the "**Prepayment Amount**").

Step 7: From the Prepayment Amount, the amount computed pursuant to Step 3 shall be deposited into the appropriate fund as established in the legal documents for the Obligations and be used to retire Outstanding Obligations or make debt service payments. The amount computed pursuant to Step 4 shall be retained in the account or fund that is established to pay administrative expenses of the CFD.

Once a prepayment has been received, a Notice of Cancellation of Special Tax Lien shall be recorded against the Parcel. However, a Notice of Cancellation of Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected.

H. INTERPRETATION OF SPECIAL TAX FORMULA

The Water District may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, that does not materially affect the levy and collection of the Special Taxes and any security for any Obligations.

I. APPEAL OF SPECIAL TAX LEVY

Any property owner claiming that the amount or application of the Special Taxes (and/or assignment of EDUs) is incorrect may file a written notice of appeal with the Administrator no later than one calendar year after having paid the Special Taxes that are being disputed. The Administrator shall promptly review the appeal within 30 days of receipt of such written notice, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount or application of the Special Taxes, and decide the appeal. If the property owner disagrees with the Administrator's decision, the property owner may then file a written appeal with the Board, whose decision shall be final and conclusive. If the decision of the Administrator (if the appeal is not filed with the Board) or the Board (if the appeal is filed with the Board) requires the Special Taxes to be modified in favor of the property owner, no cash shall be refunded for prior years' Special Taxes (unless it is determined that such Parcel will not have an Annual Special Tax Levy in future Fiscal Years, in which case a cash refund shall be given from the proceeds of the following Fiscal Year's Annual Special Tax collection). Rather, an adjustment shall be made to the next Annual Special Tax levy(ies) as needed. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any legal action by such property owner.
