Be advised that when you go through your bank and use bill-pay, they deduct it from your account and a third party issues checks which are mailed to us. That third party often holds on to those checks until they have enough to warrant sending through the mail. **The check that they issue to Rio Alto can take over 10 days to be received by the District. Please allow adequate time to avoid a delinquent charge.** Customers can also sign up for auto draft payments by completing the form found on our website or at the District office. This service is free and will ensure payment is received before delinquent charges are assessed.
